Integrity, in essence, represents doing the right thing at all times and in all circumstances, whether or not anyone is watching. The **Oriental Hearts and Mind Study Institute (OHMSI)** aims to promote this ideal. For the past 10 years, we have had a specific focus on 'Integrity' and constantly engage communities to support or initiate action on specific issues relevant to them.

TO MARK OUR 10TH ANNIVERSARY, WE ARE PLEASED TO ANNOUNCE THE LAUNCH OF OUR INAUGURAL TAN SRI DR TAN CHEE KHOON LECTURE SERIES CUM FUND-RAISER TO RECOGNISE THE MAN AND HIS CONTRIBUTIONS, AND PROMOTE HIS IDEALS AND LEGACY IN POLITICAL LIFE.

Championing the local integrity scene today is Civil Society advocate and former Bar Council President, Dato' Ambiga Sreenevasan who has relentlessly campaigned for cleaning out all forms of corruption, and mobilised society for greater transparency and election reform.

Dato' Ambiga will deliver the inaugural lecture themed "Integration with Integrity... Without Fear or Favour" speaking for how the Federal Constitution remains our only hope for integration with integrity as a 1Bangsa Malaysia. The late TCK stood for these values.

Join our campaign for greater integrity in this nation-state and enjoy the evening with good dinner, great company by supporting this very good cause to revive integrity in Malaysia. If you cannot attend, please take a table and we will fill up your seats with students from local colleges and universities.
